

LOTTERY FUNDED

Autumn 2016

ELECTRIC STORM YOUTH LTD

ESY Summer Fun!

The young people of ESY had a lot of fun taking part in our Summer activities this year.

One of the highlights was our camping trip to Lodge Hill (kindly funded by Lancing and Sompting Lions). Thanks to grants from SCF and Hall and Woodhouse, we were able to purchase our own camping equipment and as a result, provide fully equipped camping trips for our young people.

Everyone had a great time at Lodge Hill, taking part in the activities, toasting marshmallows with their friends and sleeping under canvas and we look forward to being able to run many more camping trips in the future.

We also had a summer visit to Thorpe Park which was enjoyed by both the young people and the volunteers who came along to help.

Once more the young people of ESY were a credit to us and themselves and it was a pleasure to spend the day with them.

CHARITY SHOP

Please continue to support our Charity Shop, we are very grateful for your donations and ongoing custom.

Thank you to all volunteers including Maxine, Daisy, Olive, Pauline, Joy and Alison for their extra help.

Thank you and farewell also to Elizabeth who is sadly leaving us and welcome to our new volunteer Carol.

These are exciting times at ESY. As you know, we have received the Lottery funding and we are now able to expand our programme of work supporting local young people. If you would like to join our team and help to make a real difference to the young people of the area, now is your chance. We are currently recruiting for two part-time posts, details on the following pages. If you are interested please download an information pack or contact us for more information. We will accept dual applications for both posts. **The closing date for applications is 5pm 25th October 2016.**

DETACHED WORKER
