

Better hospitals. Safer streets. Improved schools. It comes down to your vote.

Let's get Brexit done
– so we can finally get on with
the priorities we all share.

**Investing an extra £33.9 billion
into the NHS.**

Helping us cut waiting times, invest in
new technology, and hire more doctors
and nurses.

**Hiring 20,000 new police officers.
And we've already started.**

Helping us break up drugs gangs – and
make our streets safer.

**Getting more funding to every
single pupil in the country.**

So no matter where your child goes
to school, they'll get more funding.

**We can't afford MORE
confusion and MORE delay.
But that's all the other
parties can deliver.**

The Labour Party won't say whether
they support Brexit. And they've
had **THREE YEARS** to decide.

So the only thing a Corbyn
government would deliver is more
confusion. And we'd get zero
progress on our priorities.

Jeremy Corbyn's
Labour cannot be
trusted to govern.

THE FINANCIAL TIMES

**Let's get on with the country's
priorities – by getting Brexit done.**

Animals need protecting

Great start since 2015 we've banned ivory sales
and wild animals in circuses, introduced CCTV in
abattoirs, recognised animals as sentient beings,
raised animal cruelty sentences and post Brexit
can ban live animal exports

Helping those in need

I am proud that a Conservative Government made
the commitment to invest 0.7% of GDP in overseas
aid. I have seen your money saving lives in Syrian
refugee camps and work with Oxfam and UNICEF
to help vulnerable children

More jobs, fairer benefits

Local universal credit rollout is working well. I got
the Benefits Office to take on local concerns,
joined constituents 'incognito' to see the system in
action and held sessions with local firms to ensure
employees get benefits due to them

Rolling my sleeves up

In Parliament I don't shy away from criticising the
Government when needed and brought in
landmark new legislation extending civil
partnerships and reducing stillbirths whilst I am
always available across the constituency

Good mental health

As former Children's Minister I know how vital
mental health is for young people so I set up a
local website full of advice, chair a perinatal
mental health charity and am securing extra
funding for local CAMHS services

Sustainable housing

We need more affordable houses for young
families especially but not by clogging up the A27
and A259. That is why I opposed the IKEA
development and am working flat out with
ministers on an A27 upgrade that delivers

An all
year
round
MP

Tim LOUGHTON

**LET'S GET BREXIT DONE – SO WE
CAN GET ON WITH OUR PRIORITIES**

INSIDE
WHAT'S AT
STAKE IN THIS
ELECTION?

**£33.9 billion
for the NHS**

**20,000 extra
police**

**More funding for
every pupil in
every school**

Street, Shoreham, BN43 5DB>. Printed by Paragon CC, Park House, Lower
Ground Floor, 16-18 Finsbury Circus, London, EC2M 7EB.

W05E

Dear Resident

This constituency voted to Leave the EU, the country voted to Leave and I have done everything I can to honour that instruction and secure Brexit. Yet Opposition MPs have used every tactic to cause further dither and delay undermining Brexit altogether.

Everyone is sick of the constant damaging uncertainty and games at Westminster. Against all the odds Boris Johnson secured a new deal which passed in Parliament for the first time but Labour then threatened to wreck, requiring an election to break the deadlock.

It represents a compromise but is our best chance to deliver Brexit and maintain friendly relations with our EU neighbours. We can then urgently start to bring our fractured country back together again and deliver on the domestic priorities which matter to all of us.

It is my privilege to stand again to represent not the many or the few but ALL of the people of East Worthing and Adur and continue to work hard on your behalf.

Tim Loughton

Conservative Candidate for East Worthing and Shoreham

What's at stake in East Worthing and Shoreham at this election?

Together we've made real progress on delivering our plan for East Worthing and Shoreham. But there's still much more to do. So for a strong and effective MP with a proven record of action, vote for Tim Loughton on 12 December.

In Worthing we have the most **OUTSTANDING** hospital in England now we must make all local NHS services **OUTSTANDING**

We are using the record extra £33.9bn in the NHS to recruit yet more doctors and nurses and use technology to keep us healthier for longer. Our NHS will remain our greatest asset and if Labour tell you otherwise remember KWASH?

In 2007 we marched with KWASH to stop the Labour Government downgrading Worthing

I have championed the cause of 1950's born women who have lost out on pensions disproportionately and chair the Parliamentary Group.

Successive governments have failed these women but I will work with all parties to secure a fairer deal. For all pensioners our triple lock has meant a 3.9% boost and we will force the BBC to honour free TV licences for over 75's.

I will continue to be outspoken for WASPI women in Adur & Worthing to right this injustice

Record funding for schools and nurseries will benefit West Sussex schools most of all

School funding is our biggest local issue and we battled hard with heads and parents to secure the extra £14bn and a fairer funding formula

Every West Sussex school will enjoy some of the highest increases in England with 7.7% per pupil more for one Worthing school. We must continue to improve outcomes for all pupils and protect the academies Labour wants to stop.

I set up the EYE (Eco, Young & Engaged) Project in 2008 helping 1000's of local pupils to become eco champions & help us do our bit.

Our Environment Bill raises standards way above EU levels. This Government's net zero carbon targets, increasing renewable power from 6-37% since 2010, banning harmful plastics and protecting 4m square km of oceans is only a start. Locally we need more cycle friendly roads and better air quality around schools especially.

The climate emergency is our biggest threat but this Government is leading the world

Help secure the progress we've made for East Worthing and Shoreham. Vote Conservative on Thursday 12 December.
