## STANDING TO BE THE CONSERVATIVE CANDIDATE FOR MAYOR OF SUSSEX

"Since 1977 I have campaigned for the Conservative Party at every level from constituency to government. From 1997 until 2024 I was the MP for the Sussex seat of East Worthing & Shoreham. Now I am putting myself forward to be the Conservative candidate for the new position of Mayor of Sussex likely to be elected in May 2026. I would love to have you on board."

### **A Conservative Mayor's first responsibility? A Fair Deal for Sussex:**

- Sussex revenues for Sussex infrastructure
- Making Sussex a place where young people can learn well, earn well and afford to make their homes closer to home
- Fewer roadworks and more roads that work
- A joined-up Sussex Skills programme to Get Sussex Working and attract inward investment
- More visible police officers pursuing criminals rather than Political Correctness
- Valuing our farmers against Labour's attacks and protecting our rich Downland and coastal environment.

## ROOTED IN SUSSEX, ROOTING FOR SUSSEX

- Former minister with extensive experience of navigating government and national agencies at every level
- Ten years as Deputy Chairman and Chairman of the influential Home Affairs Select Committee provides important scrutiny of policing
- As minister for Children and Young People I led on initiatives to engage and inspire the younger generation- a vital part of our Party's renewal.

It is vital that we have a strong Conservative Sussex Mayor able to stand up for investment in our county against mostly Labour metro-mayors in other parts of England.
